- c) Whether the requirements of the relevant Regulations have been followed;

I feel that older people 40-75 are put off in enjoying our city centre at night as there are too many venues/housing catering to students due in bad behavior/ drunkenness etc etc. Although i am 63 i still go out but i am a rarity, compared to say Liverpool which has a wonderfull older diversity in the city. The students tend to stick to an area .... I have noticed a real decline over 20 years, and this is proved when students are away, a deserted city at night.

The site must provide proper parking ratio to houses built, as the surrounding area is full due to resident parking Where possible new site access should be on Vernon road only and .to include building vehicles. Disruption would be too great if corner of Fox/White road was opened up.
