Consultation Response - Local Plan Part 2

PA58 Green Lane – Fairham House

4156

Comment. Ought to be looking at maximizing the amount of suggested dwellings rather than any retail use, taking into account empty commercial buildings in surrounding area.

PA57 / TR2.18 Clifton West

4810

Objection. Unsound as proposing that ‘this development should be similar to the existing surrounding residential development’ needs to take into account that 3 sides of this proposal are heritage woodland/nature reserve and fields, 2 sides in the Greenbelt.

PA59 Farnborough Road – Former Fairham Comprehensive School

4811

Strong objection. Unsound / unjustified as this is Greenbelt land, a fact that is not transparent on page 234; and right next to Fairham Brook nature reserve. Proposing ‘residential and community uses’ on Greenbelt is wrong. Why should Cliftons’ Greenbelt be eroded in this way.

Yours

Nichola Judd (2532) and David Rodgers.
