Dear Dawn Alvey & Nottingham City Council

Thank you for your email.

I feel strongly that the allotments on Western Boulevard (New Aspley Allotments) have been incorrectly omitted from the Nottingham City Council Local Plan Part 2.

I would like to set out the reasons below as to why this is the case:

My name is Dave Savidge. I own a piece of land (allotment) on Western Boulevard. I am part of group of land owners known as the New Aspley Allotment Holders LTD.

I have noticed from looking at the map that the Allotments on Western Boulevard are not being considered for development.

There are over 100 members of our group who own allotments at this location and all but a few would like to sell the land but before the land can be sold it would need to be in the local plan and considered for development.

The vast vast majority of the allotments at this site are simple unused, over grown and subject to continuous vandalism, anti-social behaviour and fly tipping.

The development of this land in such a central prime location could be a real benefit to the city, the local community, local infrastructure, local businesses and local families.

Please can you consider this land for development? You can contact the New Aspley Allotment Holders directly where you will see this is supported by the vast vast majority of of land owners of the allotments.

Regards

David J Savidge

Good morning Mr Savidge

Local Plan Part 2 Consultation

Thank you for your email. Consultation on the proposed Local Plan Part 2 is now underway. If you feel that the allotments have been incorrectly omitted from the plan then you may wish to respond to the current consultation setting out the reasons why you believe the site should be included.

At the end of the consultation period, the responses will be reviewed by the council to see if any changes should be made before submitting the plan to Government for independent public examination by a Planning Inspector. All consultation responses will be made available to the Planning Inspector and the Inspector will decide who should attend the hearing sessions. If you would like to participate at the Public Examination please include this in your response so that the Planning Inspector can consider this.

If you would like to comment on the proposed Local Plan, please ensure comments are received by 11th March (5pm). Copies of the plan are available to view in libraries and at Loxley House reception. All supporting documents are available online, at the Contact Centre on Angel Row and Loxley House reception.

You can comment on line at www.nottinghamcitycouncil.gov.uk/localplan
By email to localplan@nottinghamcity.gov.uk
Or in writing to Loxley House (see address below).

Please do contact us by email or telephone 876 4594 if you would like more information or would like any assistance in responding.

Kind regards
Dawn

Please could you offer me some guidance of how either I or the New Aspley Allotment Holders could have this land reconsidered for development.

The vast vast majority of the allotments at this sight are simple unused, over grown and subject to continuous vandalism, anti-social behaviour and fly tipping.

Please could you offer some advice as this land would be ideal for development in to something that could benefit the city.

I look forward to hearing from you
