Local Plan Part 2 MASTER

Do you consider the Local Plan - Part 2 to be legally compliant?
(Please read the following guidance note and indicate whether or not you feel the Plan is legally compliant)

A plan is considered legal when it complies with the various regulations that govern how it should be prepared. Key issues the Inspector will look at include:

- a) Whether it is in the Local Development Scheme;
- b) Whether community consultation was carried out in accordance with the Statement of Community Involvement;
- c) Whether the requirements of the relevant Regulations have been followed;
- d) Whether the appropriate notifications have been made;
- e) Whether a Sustainability Appraisal assessing social, environmental and economic factors has been completed and made public;
- f) Whether the document has regard to the Sustainable Community Strategy for the areas it covers; and
- g) Whether the requirements of the Duty to Cooperate have been met.

4099 I do not support the local plan as I feel the proposed changes will have a detrimental effect not only on
4249 the local shopping area, due to the removal of the free car park on Spondon Street, but will also have
4250 a detrimental effect on the local residents due to the increased traffic, environmental pollution and lack
4251 of available car parking in what is an already difficult area to park in. The proposals replicate what was
4252 carried out at Mapperley, which had a detrimental impact on the shops and residents alike. For this
reason I am opposed to the proposed changes.

If your response is seeking a change, do you consider it necessary to participate at the examination in person?

No, I do not wish to participate in person at the examination (1)  100%
