Enquiry Regarding COMMERCIAL & NEIGHBOURHOOD SERVICES (Neighbourhood Management)
Details: Please see below email sent to Cllr Grocock

I have contacted you on numerous occasions regarding the maintenance of the field that used to be Haywood school playing fields , you have always acted on my emails and they have been kept well so that the children on the estate can go play football etc up there.

4202 I am saddened to hear that there may be a housing estate being built there ?? My house backs onto this field
4582 and I know that it would de/ value my home let alone the views from our bedroom windows ! ← 4583

4584 The children have sledged there from all over the estate , played numerous sports and even come up to fly kites etc.

4202 The people of Hartcroft road, Arnold road and Beckhampton who have lived here for years are Extremely upset at the thought of building on this field ! Please could you tell us what to do next to prevent this from happening ! Thank you .

Lynne Simpson

Please can this be looked into?

Thanks
Tamia

Thank You
