Subject: RE: PA26 Denewood Crescent - Denewood Centre

Hi Ben

Thank you for your query.

There are no detailed proposals for this site yet.

The web site is now live – the consultation page can be accessed off the main page – www.nottinghamcity.gov.uk/localplan under the banner Latest News – or you can follow this [link](#).

On page 201 of the main document it states:

Residential (C3, predominantly family housing) with potential for an element of specialist housing to meet the needs of the elderly.

Design, layout and access should be carefully considered to avoid adverse impacts on existing residential properties. Within Minerals Safeguarding Area - prior consultation required.

On page 297 of the main document it states 110 dwellings for the site

Kind regards

Paul Tansey

Subject: PA26 Denewood Crescent - Denewood Centre

Hi,

Could you please advise if there are detailed plans for the layout of this new development, in terms of housing layout and road access etc?

Also are there any plans to remove the current iron railings and/or the green security fencing around the perimeter of this site?

Regards,
Ben.
