Hi Aparna

5048

I had a call from the following person who has missed the consultation deadline but would like to be kept informed of the next stages/examination etc. He is the owner of [REDACTED] which falls within PA47.

Could you add him to the data base and spreadsheet please? (On his email address there is an underscore as follows [REDACTED] (can't see it when the blue highlighting comes on)

Thanks

Antonio De Rosa
