- No

c) Do you consider the Plan is unsound because it is not 'effective'?

- Yes
- No

d) Do you consider the Plan is unsound because it is not 'consistent with national Policy'?

- Yes
- No

If you consider that the Plan is unsound, explain why in the box to Q10).

Q10 Please explain why you 'support' or 'do not support' the Proposed Changes set out in the Revised Publication Version of the Local Plan Part 2 (i.e. why you think the Plan is/is not legally compliant/sound). Try and be as precise as possible.

We are more than happy that new housing is being built but myself and my neighbours live in a dead end road position i.e.. Athorpe grove and Francis grove leading on to Rydal Grove. We are very concerned about them being opened up to allow through traffic to the site. We feel that it would be less disruptive to existing residents if the entrance or new road to the site was placed on the main Vernon Road. The peace and safety of our little enclave would be destroyed.

Q11 Please set out what change(s) you consider necessary to make the Plan legally compliant or sound, having regard to the reasons you identified in Q10. You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any Policy or text. Try and be as precise as possible.

As stated above , we think that the new road to the site should be from the main Vernon road away from the existing residents. This is where the original entrance to the area would have been.

Please note your response should cover succinctly all the information, evidence and supporting information necessary to support/justify the response and the suggested change, as there may not be a subsequent opportunity to make further responses. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q12 If your response is seeking a change, do you consider it necessary to participate at the Examination in person?

- Yes, I wish to participate in person at the Examination
- No, I do not wish to participate in person at the Examination

Q13 If you wish to participate in person at the Examination, please outline why you consider this to be necessary.

I would only think it necessary to take part in the examination if my concerns about opening up our roads was a real possibility.

Please note the Inspector will determine who participates at the Examination and the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the Examination.

Responses must be received by 5.00pm on Friday 10 November 2017.

Thank you for taking the time to have your say on the Nottingham City Council Local Plan Part 2: Land and Planning Policies Document. You are kindly requested to complete the Equality Opportunities Monitoring questions on page 6, however this is OPTIONAL.

> Hi Matthew,

> Thank you very much for letting me know. I was going to send another this week or post a copy. There was one other thing that myself and neighbours are concerned about and that is the trees. We are worried that the young silver birches might be cut down or the beautiful very big Poplar trees that run along the edge of the waterway. Hopefully as has been proposed the development will leave 8 metres along the waterway.
