'consistent with national Policy'?

No

If you consider that the Plan is unsound, explain why in the box to Q10).

Q10 Please explain why you 'support' or 'do not support' the Proposed Changes set out in the Revised Publication Version of the Local Plan Part 2 (i.e. why you think the Plan is/is not legally compliant/sound). Try and be as precise as possible.

EN6: Biodiversity

5473 Natural England supports the proposed changes to policy EN6: Biodiversity, which
5474 incorporates our advice made at the previous consultation stage of the Plan. We welcome the
5475 inclusion of Local Geological Sites at point 2b which complies with the guidance set out in
paragraph 117 of the National Planning Policy Framework (NPPF) that aims to prevent harm to
geological conservation interests. We also welcome the addition of paragraph 3 which sets out
more clearly the avoidance-mitigation-compensation hierarchy which follows the advice in
paragraph 118 of the NPPF.

(please continue on a separate sheet if necessary)

Q11 Please set out what change(s) you consider necessary to make the Plan legally compliant or sound, having regard to the reasons you identified in Q10. You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any Policy or text. Try and be as precise as possible.

(please continue on a separate sheet if necessary)

Please note your response should cover succinctly all the information, evidence and supporting information necessary to support/justify the response and the suggested change, as there may not be a subsequent opportunity to make further responses. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Q12 If your response is seeking a change, do you consider it necessary to participate at the Examination in person?

- Yes, I wish to participate in person at the Examination
- No, I do not wish to participate in person at the Examination

Q13 If you wish to participate in person at the Examination, please outline why you consider this to be necessary.

(please continue on a separate sheet if necessary)

Please note the Inspector will determine who participates at the Examination and the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the Examination.

Responses must be received by 5.00pm on Friday 10 November 2017.
