**Subject:** PA85 Waterside

Dear Local Planners

5142 I notice that the drawing PA85 Waterside - Trent Lane, Park Yacht Club shows the red line of the boundary encompassing a part of land belonging to the River Crescent Development.

The area that intrudes onto the River Crescent land is where planning permission was granted for a visitor's car park.

I would appreciate if the red line can be corrected.

Kind regards

John Rhodes

General Manager  
River Crescent
